Manor Series 5 STATION

Being green never looked so good!

This elegant 5 Station Portable Restrooms Trailer features elegant wall tones to the flooring, beautiful chrome hardware – soap dispensers, wall mounted waterfall faucets, and stainless steel vessel sinks. Each suite includes built-in mirrors over a TV, stereo system with DVD player, electric fireplace heater, all with a beautiful backdrop of grey against warm chocolate brown cabinetry. The flooring is one-piece rolled vinyl maple plank. The details extend all the way to the french satin nickel exterior door pulls and designer square door knobs.

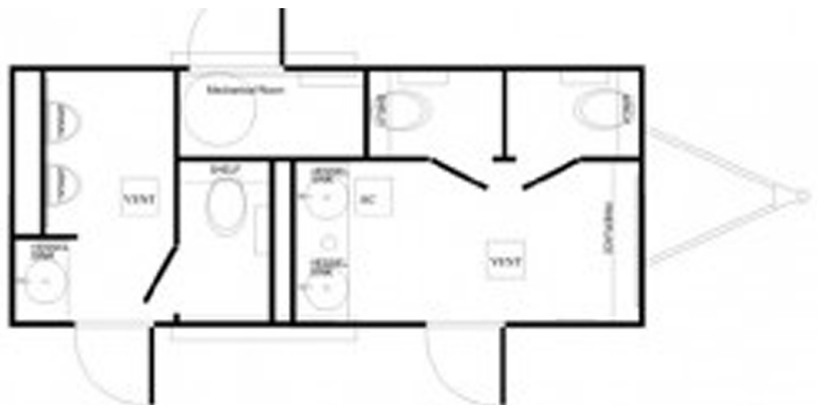

***Complete with 6
solar panels, this
unit has been
certified green.***
