

# PORTABLE RESTROOM TRAILERS, LLC

## Mobile Restroom Trailers

### Shower / Restroom Combo 5 STATION

*This unit is perfect for use on construction sites, the mining industry, military exercises, disaster relief, locker rooms, festivals and much more!*

#### Features

5 stalls, each with large acrylic one piece shower, shower germicide protected mat, water miser shower head.

Each stall is well lit with water proof lighting, and vented by powered vents.

Shower trailers have propane on demand hot water heat and are equipped with 2 tanks on each trailer. Propane tanks each average 700 short showers.

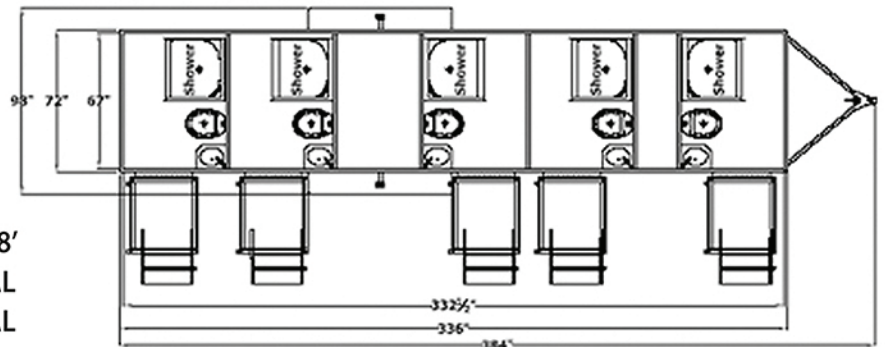

Each shower suite has a lockable full length exterior door, steps and handrails.

The full size shower stall is a factory made fiberglass unit with water miser heads and instant hot water heat, divided from changing area with shower curtain.

Vinyl floor.

*With all the comforts of home, each shower unit has its own individual unisex room that can be used by both men and women, with private entrance, lockable doors.*

*Each suite has outdoor lighting, large retractable stairs, and double handrails.*
