

# Portable Restroom Trailers, LLC

## Mobile Restroom Trailers

Provide your guests with LUXURY!

### Luxury Series ROYAL 8 PLUS

So, if you want to impress the toughest critics, by providing that “wow factor” with a mobile restroom trailer, boasting a working fireplace for instance, you need The Royal Event portable restroom trailer.

In a class all its own, the distinctive Royal Event mobile restroom is designed for events catering to a discriminating crowd of up to 750 guests. The Royal 7-Station Luxury Series Restroom Trailer will provide a spectacular experience for weddings, corporate events and distinguished fund raisers.

***The Royal assures you the upscale restroom facilities are above expectations and set the standard with exquisite features including:***

- Large, private stalls
- Custom wood cabinetry
- Wainscoting
- Crown and chair molding
- Full floor-to-ceiling wood designer privacy doors with occupancy locks.
- Solid surface marble or granite style vanity counters with dual designer sinks and faucets
- Framed vanity mirrors
- Soft, earth tone wall coverings accented by soft sconce lighting that creates the atmosphere of richness.
- Full climate control with air conditioning and heating
- Wide easy entry stairs with handrails
- Plenty of outdoor lighting for safe use in darkness

***And because your guests have different needs, the state-of-the-art Royal has specific features for each:***

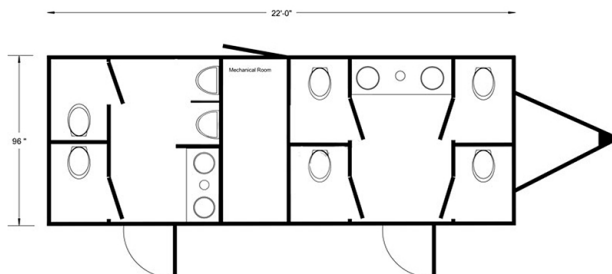

**In the Women's suite you'll find:**

- Individual stalls, with flushable china toilets
- Vanity sinks, complete with hot water hand wash
- Larger central powder room
- Hand sanitizing moisturizing soap
- Hand towels
- Abundant lighting for freshening make up

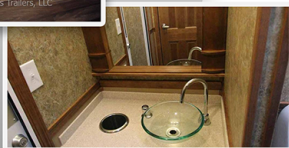

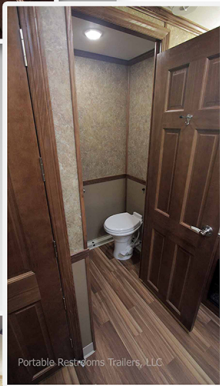

**The Men's suite includes:**

- Individual stalls
- Flushable china urinals
- Vanity sinks, with hot hand wash
- Larger central room with urinals and privacy dividers

***Available option:  
Exterior handwash station***
