Comfort Series 2 Station

THIS IS OUR #1 BACKYARD UNIT

With the compact and lighter-weight design, it's easy to maneuver in tight spaces, making this the ideal selection for smaller events up to 250 guests. There are private, spacious suites for both men and women. Each suite includes a water-saving china flushable toilet, toilet-paper holder, wall-to-wall lockable vanity with solid surface countertops with under-mounted sink, large shatterproof mirror, metered faucets, and in-counter wastebasket with soap and paper-towel dispenser. The men's suite also includes a water saving urinal.

Accompanying a family member into the restroom is easy with the two low riser steps and roomy interior. Your guest will be comfortable in the climate control environment with air conditioning and heat. Easy towing, speedy setup, ideal comfort for your guest, quick clean-up, just hitch and tow.
