# the Smarter Restrooms App

**MONITOR YOUR TRAILER FROM ANYWHERE!**

*An interactive tool allowing portable restroom rental fleet owners to monitor operational systems for their trailer(s) from any smartphone, tablet, or computer.*

**You can easily maintain systems operations with the ability to monitor waste tank levels and power.**

- Know the location of every restroom trailer in your fleet 24/7/365.
- Use one map to assess the location of your entire fleet.
- Set up multiple geographic zones (geozones) and receive alerts if any of your restroom trailers enter or exit these zones.
- Monitor your fleet from your phone, tablet, or computer.
- Receive text/email alerts for any undesired activity.
